

The Gift of Hope Campaign

**BOYS & GIRLS CLUB
of Worcester**

For many, our new Main South Clubhouse marks the realization of a long-awaited dream. For our staff and volunteers, however, it is the beginning of a new era in our ability to make a significant difference in the lives of the kids we serve. Since the opening of our new Clubhouse last September, we have 1,000 new youth members and are serving over 4,000 kids in Worcester, including our outreach sites in Great Brook Valley and Plumley Village.

We serve more youth on a daily basis than any other youth development agency in Central Massachusetts. But it is not just about the numbers. It is also about the individuals that we help one at a time.

Meet 16-year-old Theresa Pickens, a Club member for 11 years and an outstanding athlete and scholar. In May of 2007 Theresa was honored as Boys & Girls Clubs' Massachusetts Youth of the Year. Despite some big hurdles in her life, she has become an amazing young leader and is an inspiration to her peers and staff, alike. As with so many of our Club kids, she thrived once she received the extra support from staff and the opportunity to grow in our programs.

Now *imagine* an army of kids like Theresa - guided by a spirit of giving, an understanding of the accomplishment of overcoming significant personal obstacles and a determination to succeed! Imagine thousands of young people with a new a sense of possibility for their lives.

We need caring people like you to invest in Theresa and all of the youth she represents.

Please give the gift of hope and opportunity.
