

Support the Club

The Boys & Girls Club of Worcester strives to provide the children of Central Massachusetts with a safe, fun, and creative place to go. For \$25 a year, kids ages 5-18 are immersed in programs such as athletics, academic success, the arts, and much more. We keep the membership costs low for the over 9,000 youth we serve. It costs the Club between \$500-\$1000 per child to keep these programs running. We work with local foundations, organizations, and donors like you who support our mission of providing every youth with a happy and carefree childhood.

97% of our 2014 high school graduates are currently attending college.
