

Summer is around the corner...do you want to Be a Summer Hero?

For many of us, summer was a magical time filled with days spent swimming, playing with friends, trying new things, and simply being kids. It was a season of joy, adventure, and memories that stayed with us long after summer ended.

But not every child has that same opportunity. **While many summer camps in our area cost between \$250 and \$500 per week, we intentionally keep our programs accessible at just \$50 per week** so all families can participate. Without access to safe, structured programs, too many youth face summers without supervision, enrichment, or even basic supports. At the Boys & Girls Club of Worcester, we make sure that doesn't happen.

Every Summer, here at the Club, is as packed with activities for our kids as we can make it. But, those activities depend on the largesse of our donors. We know that anyone can **Be a Summer Hero**. That's why we have outlined gifts and activities from \$100 to \$13,000. The amounts cover a wide array of what makes Summers here at the club so special.

For instance, **\$100 covers 2 Club Memberships or 10 Teen Memberships**. Would you like to sponsor a child for a week of Summer camp? The amount is \$350. That is the Club's cost while only the \$50 fee is passed along to the camper's family. **\$500 enables the staff to put together a Theme Week**. Planned to roll out this Summer are: Community

Heroes Week, America's 250th Birthday Celebration, among others. **Would you like to sponsor a Summer Teen Job? \$3,500** supports 8 weeks of employment (including training, mentoring and 20+ hours of work per week. Our summer Field Trips are huge memory-makers for the Club's campers. This summer the campers will visit museums, theme parks, zoos and nature preserves throughout Massachusetts and in Connecticut. For many campers, it will be their first trip outside of Worcester. **The price points for sponsoring Field Trips range from \$3,000 to \$13,000.**

Jumping, without fear, into a pool, widening their circle of friends, welcoming new adventures... because of you, a child will be swimming safely, building friendships, and creating memories that last a lifetime. **\$7,500 sponsors the Club's Life-Saving Swim Instruction program for 150 youth this summer.**

Please help to make this Summer a memorable one for our campers!
