

Recognize, Celebrate, Thank and Honor.

If you haven't heard.... our 137th Annual Meeting is around the corner. June 10th at 5:30PM at Hanover Insurance.

We have so much to celebrate! Our seniors are graduating from high school, and our first class of Certified Nursing Assistants has successfully completed their training. They are now licensed and ready to begin their careers.

We are also excited to recognize our scholarship recipients, "Youth of the Year," and Club "Members of the Month."

We are incredibly proud of our Club members who fully embrace all the opportunities the Club provides, work to be the best version of themselves, and give back to their community. We also deeply appreciate our dedicated staff, who continuously support the social, educational, extracurricular, and financial needs of our youth while providing consistent mentorship and guidance every day.

Additionally, we are incredibly fortunate to have community partners who believe in our mission and invest in creating a strong foundation for the success of our Club and the young people we serve. This year, we are honored to recognize two exceptional organizations with the Foundation for the Future Award: the Fred Harris Daniels Foundation, the first funder to make a significant investment in our girls-only programming more than 15 years ago, and DCU for Kids, which for more than a decade has generously volunteered its time and provided vital financial support for our summer programs.

We will also welcome our newest Corporators and Members of the Board of Directors, helping to ensure strong leadership and a seamless continuation of governance for our organization's future.

It is our privilege to celebrate those who have helped shape the Boys & Girls Club of Worcester. We will induct new Alumni Hall of Famers—Jim Buonomo, Anthony Tivnan, and Douglas Safford (posthumously); laud Francis Piseigna Volunteer of the Year Award recipient Dennis O’Leary; and recognize the members of the Club’s Donor Giving Societies.

Most importantly, all we need is you. Your presence, support, and belief in our mission make a meaningful difference in the lives of the young people we serve each day. We hope you will join us as we celebrate our community, honor those who have made an impact, and continue building a brighter future for Worcester’s youth.

Thank you to our 137th Annual Meeting sponsors!
