

Dear Friend,

As we welcome the new year, I want to express my sincere gratitude for the incredible support our community provides throughout the year. While nonprofits everywhere continue to navigate significant challenges, I am grateful for the many bright moments and meaningful successes happening at our organization.

This past December, we were overwhelmed by the generosity shown to our Club. I extend heartfelt thanks to everyone who supported us through monetary gifts, special events, and our holiday giving program. Your generosity ensures we have the resources needed to support our families during what can be an especially difficult time of year. While we are always moved by the outpouring of support during the holidays, this year was truly inspiring. We are deeply fortunate to be part of a community that cares so profoundly for our youth and their families. Thanks to your support, we were able to provide 2,500 youth and their families with food, presents, and clothing during the holidays.

Below, you will find a list of our supporters from this holiday season. [I also invite you to watch our holiday video](#), created to thank each and every one of you for your generosity and belief in our mission.

With gratitude,

Liz

Liz Hamilton, CEO
