

Looking forward to an inspiring 137th Annual Meeting on June 10th!

Striver, innovator, founding member, award winner, a gentleman and “super nice.” These terms have been used to describe the **2026 Alumni Hall of Fame Inductees**. Congratulations to **Jim Buonomo, the family of Doug Safford and Anthony Tivnan**. Their lives represent the best of what Club members can be after they leave Boys & Girls Club Way and venture out to the world beyond. We have much to celebrate at our Annual Meeting including our graduating seniors, our volunteers and our scholarship award recipients. **Please follow this link to find out more about our [Annual Meeting](#).**

Jim Buonomo grew up on Worcester’s Grafton Hill. He has many fond memories of times spent at Friendly House and the Ionic Ave. Boy’s Club. Jim feels strongly about giving back to the community. An article in the “Community Advocate” noted that Jim “worked tirelessly through the years to make” wherever he called home “a better place to live and work.”

Douglas Paul “Doug” Safford spent his youth in Worcester, honing the athletic skills that would make him a star on the football field and the hardwood. Doug attended the Boy’s Club where he frequented the Lincoln Square and the Ionic Ave. Clubhouses. His passion for sports shone brightly as he excelled in basketball and football, leaving a lasting legacy at Holy Name Central Catholic High School.

Anthony Tivnan, a College Hill native, remembers heading to the Boy’s Club back in the late 80’s when he was a student at Worcester Central Catholic. He spent time playing basketball (which he would continue later at Holy Name Central Catholic High School), running around the track and boxing (which he later put to good use for a charity boxing event benefiting cancer research).
