

Dear Friends,

As I write this, it's hard to believe that the Francis A. & Jacquelyn H. Harrington Clubhouse is celebrating its 20th anniversary. The years have flown by, filled with meaningful milestones and unforgettable moments.

Above all, I'm deeply grateful for the support and love of our community. Whether you are a team member, Club kid, family, donor, business, foundation, volunteer, alumni, or board member, our success is because of you. Thank you for being such an important part of our story.

In celebration of our 20th year, the Boys & Girls Club of Worcester will host its **138th Annual Meeting on June 11 at 5:30 PM**, and you are warmly invited. This gathering will be a time to recognize our shared accomplishments and the challenges we have navigated together. More details will be shared in the coming months.

This anniversary is not only a time to reflect, but also an opportunity to invest in the future of the youth and families we serve. To honor our 20th, we are also pleased to introduce **new named gift opportunities that will support our operations at the Harrington Clubhouse**. These gifts will help ensure we can continue providing vital programs and services for our youth and families without interruption or increased membership fees. As a mission-driven organization committed to eliminating barriers to access, [we also invite you to consider making an unrestricted gift at any level—every contribution truly makes a difference.](#)

As we celebrate our achievements, we do so with deep appreciation for the community that made it all possible and with optimism for what lies ahead. Your continued involvement and

support ensure that our doors remain open, our programs remain strong, and our mission continues to change lives. Thank you for being an essential part of our past, present, and future.
